

# Preparing for the unexpected, Training for the unpredictable

**Fortified Safety Solutions is comprised of four individuals whom have over 85 years of law enforcement experience between them. We are committed to increasing the culture of safety for all of those who visit, attend and are employed at Houses of Worship or their academic facilities. We have a strong commitment to enhancing the communication between the spiritual community and the first responders/emergency personnel.**

**Our professional goal is to assist those in preparing for the unexpected and to training for the unpredictable. Having a plan to assist in mitigating crisis, we feel at Fortified Safety Solutions that we can reduce the amount of chaos, panic and fear caused by a crisis situation.**

**We look forward in raising the culture of security and safety for you and your constituents.**

## Preparing today's Congregations to Manage Crisis, "One Lesson at a Time"

**Fortified Safety Solutions L.L.C. is a company specializing in supporting Houses of Worship and their congregations for the difficult safety challenges they encounter.**

**Our Mission: We pledge to assist in providing solutions to the challenges our Spiritual Houses of Worship and Academic facilities face.**

**Fortified Safety Solutions serves as a liaison among local, city and state agencies to promote facility and community safety. Your safety is our first priority. In order to accomplish this goal, it's imperative that all leadership and members are familiar with standard emergency procedures in order to respond efficiently / effectively during a crisis situation.**

**FORTIFIED SAFETY SOLUTIONS**  
SAFER TOGETHER

## TRAINING OVERVIEW

Implementation of the 4 T's will facilitate the unified method to increase awareness, knowledge and solutions necessary to enhance successful safety and security outcomes.

Training Technology Tactics Teamwork

### Introduction to Active Shooter Training

Participants will receive training derived from Homeland Security and FEMA. Evacuation procedures and emergency response protocols will be reviewed.

### Response Protocol Training

Participants will receive training in Emergency response protocol training. Four directives, Lockout, Lockdown, Evacuate and Shelter.

### Emergency Action Plan Development

Participants will receive technical information on how to develop an emergency action plan. Members will also receive training on how to liaison and implement the Emergency Action Plan with local law enforcement and first responders.

### Table top Exercises

Participants will participate in scenario based exercises that are designed to assist in facilitating how to Plan Assess - Execute and Diffuse hostile situations that may occur in your House of Worship.

**“Chaos, panic and fear can only be minimized - never eliminated - when it is preceded by preparation and planning.”**

## ADDITIONAL SERVICES

### Site Security Surveys

A survey of your facilities safety and security measures will be conducted. Recommendations for enhancements will be provided.

### Tactical Communication

Academic series which emphasizes on the elements of zones of safety and defusing hostility.

(Pastors, Deacons, Greeters and Ushers).

### Threat Assessment

This protocol is designed to prevent targeted violence by analyzing facts of those who have the potential of harmful behavior and determines required action, resources, strategies and support. (Educational and Spiritual Facilities)

### Active Shooter Simulation

Active shooter drill which will enable participants to role play and drill using the standard response procedures.
